# Caribbean Island Grand Deluxe •

April 19 - 26th 2008

The Coopers & Aird's from the U.P. of Michigan enjoyed the House, pool & fishing the chanel. Our 2 boys caught Catfish, Red Snapper, Jacks, Stingrays. We saw Dolphins swimming by. It was a great Vacation (Holiday) that we had & we would come back here the next chance we get.

What a great House to spend a week in. It's now back to the U.P. & there's snow in the forecast for Monday the 28th.

We will wish we never left this Paradise.
