Caribbean Island Grand Deluxe •

March 21, 2009

We had a wonderful time at the Caribbean Island Grand Deluxe. We swam, sat on the hot tub, explored Sardinia Island, had a boat tour of the bay, & even saw 2 dolphins from the Grand Deluxe boat dock 3/19/09. It was a perfect get-away for all ages (age range 2 to 60). In fact, our 2-year old had such a good time, he cried when it was time to leave & said he wanted to stay here forever.

Thanks so much!
